CONFIRMED PROOF

Residents of Barre Cannot Doubt What
Has Been Twice Proved.

In gratitude for complete re-
lief from aches and pains of
bad backs—from distressing kidney
ills—thousands have publicly recom-
mended Doan's Kidney Pills. Residents
of Barre, who so testified years ago,
now say their cures were permanent.
This testimony doubly proves the worth
of Doan's Kidney Pills to Barre kidney
sufferers.

Norman York, 29 Branch street, Barre,
Vt., says: "I was subject for six years
to attacks of kidney trouble. I had
pains in my back and was led to believe
my kidneys were out of order by the too
frequent passages of the kidney secre-
tions. If I stooped or lifted
it was with the greatest difficulty that
I could regain an erect position. I finally
used Doan's Kidney Pills, procured at
E. A. Drown's drug store, and their effect
was wonderful. The pain in my back
soon ceased and the kidney secretions
became more regular."

The above statement was given on No-
vember 10th, 1903, and was confirmed
by Mrs. York on October 1st, 1908. She
said: "Mr. York still thinks well of
Doan's Kidney Pills, and has always
recommended this remedy when he has
had the opportunity."
For sale by all dealers. Price 50
cents. Foster-Milburn Co., Buffalo, New
York, sole agents for the United States.
Remember the name—Doan's—and
take no other.

NO CLEW TO MURDER MYSTERY.

Providence Police, However, Sure Rob-
bery Was Motive.

Providence, R. I., May 15.—After a
search lasting over a period of four days
and three nights the Providence police
department admitted yesterday that
they were completely baffled in their ef-
forts to discover the whereabouts of the
murderer of Miss Laura E. Regeator on
Reservoir avenue, Monday night. The
police seemed confident yesterday that
robbery was one of the motives of the
crime.

Mayor Fletcher yesterday offered a re-
ward of \$500 for the detection of the
murderer, and it is reported that both
Governor Pothier and the D. & W. Euse
company, where the woman was em-
ployed, will add \$500 each to the may-
or's offer.

BODY FOUND IN WATER.

Otto Sandstrom of West Rutland Was
The Victim.

Rutland, May 15.—The body of Otto
Sandstrom, a Finlander, and employed
by the Vermont Marble company at
their quarry at West Rutland, was
found in a pool of water about halfway
between Whipple Hollow and the West
Rutland depot at about 6:30 o'clock
yesterday morning. As James Gil-
feather was on his way to work he dis-
covered the body, which lay in about
two feet of water. Mr. Gilfeather im-
mediately notified the selectmen, Wil-
liam A. Thrall and Daniel O'Rourke, who
had the body removed to Campbell's
undertaking rooms. The body had evi-
dently been in the water several hours.
Mr. Sandstrom was 36 years of age and
had been employed by the Vermont
Marble company for 15 years. He is
survived by a brother in New York and
other relatives in the old country.

The dead man boarded at the house
of Albert Johnson and he went to Cas-
tleton Thursday. When last seen Thurs-
day he was said to be under the influ-
ence of liquor. It is generally supposed
that he was returning home on a
trolley car his hat blew off and he
jumped from the moving car and while
chasing it fell into the water, being in
too helpless a condition to save him-
self.

it is not believed that any serious dam-

There are many men who wear their
hats practically all the time when awake,
and are blessed with a heavy shock of
hair; yet if the scalp of these same men
once became infested with dandruff
germs, the parasites would multiply all
the quicker for lack of air. Baldness
would ensue as the final result. New-

stimulates unhealthy hair to abundant
growth. Herpicide is a pleasant hair
